(ii) in sub-section (2), the words and figure “except members nominated under the proviso to sub-section (1) who shall hold office till the expiry of one year from the commencement of this Act” shall be omitted.

#### STATEMENT OF OBJECTS AND REASONS.

The object of this Bill is to modify the constitution of the Madras Nurses and Midwives Council, constituted by the Madras Nurses and Midwives Act, 1925, so as to make it more representative of the nursing profession and also to give representation thereto to the Public Health Department which has assumed responsibility for the direction and supervision of venereal and child welfare schemes undertaken by local bodies. The amendments proposed to section 3 of the Act accordingly provide for the nomination to the council of one member by the Trained Nurses Association and another by the Nurses Auxiliary of the Christian Medical

Association of India (South India Branch), while reducing the number of members to be associated by the Madras Medical Council from two to one. Provision is also made making the Director of Public Health an *ex-officio* member of the Nurses and Midwives Council.

This opportunity has been taken to delete certain provisions of the Act which have spent themselves and are no longer operative, namely, the provision in sub-section (1) of section 5 which relates to nominations of members to the Council by the Surgeon-General and the Local Government and that portion of sub-section (2) of that section which relates to the term of office of such associated members.
